Nickel Gap Siding will be available in a brushed smooth and cedar texture in 16 prefinished LP® SmartSide® ExpertFinish® colors and in a primed LP® SmartSide® cedar texture. The new product brings a timeless yet modern design element to the SmartSide portfolio while continuing to use LP® SmartGuard® technology to offer advanced durability and efficient workability. Nickel Gap Siding showcases a unique tongue and groove joinery that provides a flush surface, allowing the installer to conceal fasteners and helping to ensure a contemporary design appearance.

“We are excited to introduce LP® SmartSide® Nickel Gap to the market,” said LP Director of Siding Innovation & Commercialization Sarah Caperton. “This product addresses a gap in our portfolio, providing a solution for single and multifamily homes with more contemporary designs. This versatile product brings the durability and beauty of LP® SmartSide® products to homes built with a variety of materials as an accent or as the primary

exterior siding.”

Nickel Gap Siding is 8 inches wide with a true 7-inch reveal currently available in a cedar texture finish. Starting March 1, Nickel Gap will be available in 16 ExpertFinish® colors in both brushed smooth and cedar textures. [Nickel Gap](#) can be installed in vertical and horizontal orientations, providing designers and builders with aesthetic flexibility. Installers are advised to adhere to local and regional building codes to help ensure proper installation and compliance.

LP® SmartSide® Nickel Gap Siding is backed by an industry-leading 5/50-year limited warranty, and LP® SmartSide® ExpertFinish® Nickel Gap Siding includes a 15-year limited warranty on the finish, helping to ensure durability and peace of mind for builders and homeowners.

LP remains committed to delivering cutting-edge products that redefine standards of excellence in the building industry. With the introduction of Nickel Gap Siding, LP continues to be at the forefront of innovation, offering builders and homeowners an opportunity to provide modern and reliable siding solutions.
