"Jeremy's exceptional sales leadership and strategic vision will be an invaluable asset to LP," said LP Executive Vice President, General Manager of OSB Jimmy Mason. "I look forward to seeing his expertise drive our business forward and support our ambitious goals."

In his new role, Sellers will lead the development, alignment and execution of all sales and marketing programs within LP's OSB

segment. This includes overseeing the innovative value-added OSB product portfolio known as LP® Structural Solutions, managing strategic partnerships, and steering comprehensive product marketing campaigns and sales strategies.

With over 15 years of experience in the building products industry, Sellers has a proven track record of success. He began his career at Wolf Home Products as a Product Specialist and advanced to Senior Vice President of Sales in 2022. Sellers holds a Bachelor of Science in Business Administration from Clarion University of Pennsylvania.
